

## The Digital SAT

# Registration and Test Day Guide

### Online Registration Requirements

When you register for the SAT<sup>®</sup> you'll need to supply:

- 1 Your full legal name as it appears on your photo ID, your date of birth, gender, mailing address, phone number, and current grade level. College Board uses your legal name on test day to confirm your identity, but if you have a preferred first name, you can provide it in your College Board online account. We'll use your preferred first name in all other communications with you.
- 2 An acceptable photo of yourself that closely resembles the photo on your ID and that will match how you look on test day. Your photo won't appear on your admission ticket, but testing staff will have access to it in their roster. See details at [sat.org/photo](https://sat.org/photo).
- 3 Your high school.
- 4 Acceptance of our Terms and Conditions for taking the SAT.
- 5 What type of testing device you'll use.
- 6 Payment or a fee waiver. See details at [sat.org/fee-waivers](https://sat.org/fee-waivers).

Call Customer Service at +1-212-713-7789 if you don't have access to online registration.

### Registration Deadlines

Deadlines for digital testing are later than for paper and pencil. Find dates and deadlines at [sat.org/international](https://sat.org/international).

### Before Test Day

- Prepare for the digital SAT**
  - Download the Bluebook™ exam app from [bluebook.app.collegeboard.org](https://bluebook.app.collegeboard.org) on the device you'll use on test day. Your device should be either a personal or school-managed Windows laptop or tablet, personal or school-managed Mac laptop or iPad, or school-managed Chromebook. If you're testing with a school-managed device and you can't complete the download, reach out to someone at your school for help.
  - After you sign in to Bluebook, read and accept the application Terms and Conditions.
  - Go to **Practice and Prepare** on the homepage. Try some sample SAT questions in the test preview or take a full-length digital SAT practice test.

- Get your admission ticket**
  - Five days before test day, go to the Bluebook homepage and find your SAT under **Your Tests**.
  - Complete the short exam setup, and get your admission ticket. You can take a picture of your admission ticket, print it, or email it to yourself.
  - If you need to make any changes to your admission ticket, you can update your admission ticket until three days before your test by contacting Customer Service (see [collegeboard.org/contact-us](https://collegeboard.org/contact-us)).
- Check your photo ID**

You need to bring an acceptable photo ID—visit [sat.org/id](https://sat.org/id) to get the ID requirements that apply to you.
- Check the latest Terms and Conditions online**

You'll be agreeing to the digital SAT Terms and Conditions as they exist on test day. Go to [sat.org/terms](https://sat.org/terms) prior to test day to review any updates.
- Check the SAT Test Center Closings page**

Always check [sat.org/test-center-closings](https://sat.org/test-center-closings) to make sure your test center is open. Check on Friday night and again on Saturday morning.
