College Board Monthly Newsletter – January 2026

Happy New Year, Coordinators! Welcome to College Board’s monthly newsletter for Kentucky SAT Suite Junior Administration coordinators! This newsletter provides an overview of the month’s activities in preparation for the state-provided SAT® test this spring. This newsletter will be distributed on the first Thursday of each month from College Board via the email address KentuckySAT@collegeboard.org. Please add this email address to your network safelist to ensure prompt delivery. It is also published at <https://collegeboard.org/Kentucky> a few days after the distribution date. Note: Due to a technical issue, this newsletter was delayed from 1/8 to today. Apologies for any confusion this may have caused.

As a friendly reminder, public school students enrolled in grade 11 will participate in Kentucky’s SAT Junior State Administration. The **testing window** opens March 2 and closes on April 10. Schools may administer the SAT at any time throughout the window. **All testing must be completed by April 10, 2026.**
