Student Answer Sheet Instructions

This guide will help you fill out your SAT[®] School Day answer sheet—including where to send your 4 free score reports. Be sure to record your answers to the questions on the answer sheet. Answers that are marked in this booklet will not be counted.

Confidentiality

Your high school, school district, and state may receive your responses to some of the questions. Institutions that receive your SAT information are required to keep it confidential and to follow College Board guidelines for using information. See the *SAT School Day Student Guide* for more details, including how to opt out of Student Search Service[™] if you change your mind.

How Answering Questions 16 and 19–39 Helps You

Opting in to Student Search Service (marking “Yes” in Field 16) and answering Questions 19–39 helps you connect with educational and financial aid opportunities.

You don’t have to respond, but we recommend that you answer all these questions, because your answers:

- Guide your counselors and college admission officers in helping you plan your future.
- Help College Board ensure that the SAT is fair and accurate for all students.
- Provide information to colleges and universities to create a picture of the academic preparation, extra- and cocurricular involvement, and post-high-school plans of your graduating class.

16. Student Search Service Student Search Service is a free, voluntary program that connects students with information about educational and financial aid opportunities from eligible colleges, universities, and other scholarships and educational programs. These organizations pay to participate in the service, but it’s free to you. When you opt in to Student Search Service, the information that you have provided on your answer sheet, score ranges from your College Board exams, and information you provide on the College Board website may be shared with colleges, universities, and other scholarships and educational programs that are interested in students like you. This includes your responses on the answer sheet to Questions 17, 19, 23, 25–34, and 38. Participating organizations may use this information to contact you via email and postal mail about their educational and scholarship opportunities. College Board does not share your telephone number or actual test score as part of this service.

To opt in to Student Search Service, please mark “Yes” to “Would you like us to supply your information for these purposes?” on your answer sheet. If you leave Question 16 blank and have previously opted to participate in Student Search Service, we will continue providing your information until you opt out.

17. Email Address Email address is optional. If you have already created your College Board account, use the email address you used when creating your account. If you decide to provide an email address, fill in the bubble to indicate whether the email address is yours or a parent’s/guardian’s. College Board will use the email address to send information such as when your scores are ready. If you opted in to Student Search Service, the email address you provide will be added to your Student Search Service record.
