PSAT 10: New Digital Format Brings Exciting Benefits

Body:

At **[Insert school name]**, we believe it's important to help our students prepare for their future and make informed decisions about their educational and career paths. That's why we're pleased to offer the PSAT™ 10 this spring.

Results from the PSAT 10 provide insights into your child's academic strengths and areas for improvement as well as valuable information and guidance regarding college and career pathways. **[If your child took the PSAT™ 8/9 or will take the PSAT/NMSQT® and/or SAT®, they'll see their progress from one test to the next].**

Taking the PSAT 10 can also help your child to:

- See where they are and set a target for where they want to be.
- Practice and prepare for the SAT.
- Find out what AP® courses they're ready to take.
- Plan and pay for college.
- Explore personalized career insights.

This spring, the PSAT 10 will be administered in a new digital format that will provide an overall easier testing experience for students. **Watch this video** to see what students can expect with the digital PSAT 10. To learn more, visit psat.org/whytake.

Your child will take the PSAT 10 on **[date or range of dates]** using **[their own school-issued device or on a device provided to them that day]**.

If you or your child have questions about the PSAT 10, please reach out to me or your child's counselor—we can help!
