PSAT™ 10 Large-Block Answer Sheet

General Directions:

- Mark only one answer with an X for each question.
Example A B C D
- You must use a No. 2 pencil. Do not use a mechanical pencil or pen. If you need to change a response, erase as completely as possible. Incomplete marks or erasures may affect your score.
- Your test book may have instructions at the beginning of each section that tell you to turn to a specific page of your answer sheet. Ignore those instructions. Instead, follow the instructions on this answer sheet that tell you how and where to record your answers.
- Completely erase any errors or stray marks.
