Student Answer Sheet Instructions

This guide will help you fill out your PSAT/NMSQT® answer sheet. Be sure to record your answers to the questions on the answer sheet. Answers that are marked in this booklet will not be counted.

Your answers to the questions in Field 5 on your answer sheet allow National Merit Scholarship Corporation (NMSC®) to determine whether you meet entry requirements for the National Merit® Scholarship Program.

If your school has placed a personalized label on your answer sheet, some of your information may have already been provided. You may not need to answer every question. Your instructor will read aloud and direct you to fill out the appropriate questions.

Confidentiality

Your high school, school district, and state may receive your responses to some of the questions. Institutions that receive your PSAT/NMSQT information are required to keep it confidential and to follow College Board guidelines for using information. See the *PSAT/NMSQT Student Guide* for more details, including how to opt out of Student Search Service™ if you change your mind.
