SAT SCHOOL DAY

Score Sends Code List

Remember, you may send your scores from your SAT® School Day for free to up to four colleges, universities, and scholarship programs. We'll send your score, along with your demographic information needed to verify your identity, to the institution(s) you choose.

Select up to four free score sends as part of the digital testing experience or within three days after testing. To make or change your selections within those three days, use your sign-in ticket from this test to sign in to Bluebook™. Then, go to Your **Tests > Past** where this test will be listed and click **SAT Score Sends**. You can select institutions to share your score with later online, but you'll have to pay for each score you send (unless you're eligible for a fee waiver). If you need assistance accessing Bluebook, please see your counselor.

Use the lists in this document to find the four to six digit number for each institution you want to send your score to. U.S. colleges and universities are listed first in order by state, and then alphabetically by name. Institutions in U.S. territories come next, followed by international ones. The final list in this document shows scholarship programs listed by state or country, in alphabetical order.

> **IMPORTANT:** Changes happen all the time. Institutions sometimes merge, move, or change their mission. Before sending your scores, be sure to check that the colleges or programs you select are still accepting scores.

Visit **sat.org/scores** for more information.
