SAT SCHOOL DAY

Student Answer Sheet Instructions

This guide will help you fill out your SAT® School Day answer sheet—including where to send your 4 free score reports. Be sure to record your answers to the questions on the answer sheet. Answers that are marked in this booklet will not be counted.

If your school has placed a personalized label on your answer sheet, some of your information may have already been provided. You may not need to answer every question. Your instructor will read aloud and direct you to fill out the appropriate questions.

Confidentiality
Your high school, school district, and state may receive your responses to some of the questions. Institutions that receive your SAT information are required to keep it confidential and to follow College Board guidelines for using information. See the SAT School Day Student Guide for more details, including how to opt out of Student Search Service™ if you change your mind.

16. Student Search Service  Student Search Service is a free, voluntary program that connects students with information about educational and financial aid opportunities from eligible colleges, universities, and other scholarships and educational programs. These organizations pay to participate in the service, but it’s free to you. When you opt in to Student Search Service, the information that you have provided on your answer sheet, score ranges from your College Board exams, and information you provide on the College Board website may be shared with colleges, universities, and other scholarships and educational programs that are interested in students like you. This includes your responses on the answer sheet to Questions 17, 19, 23, 25–34, and 38. Participating organizations may use this information to contact you via email and postal mail about their educational and scholarship opportunities. College Board does not share your telephone number or actual test score as part of this service. To opt in to Student Search Service, please mark “Yes” to “Would you like us to supply your information for these purposes?” on your answer sheet. If you leave Question 16 blank and have previously opted to participate in Student Search Service, we will continue providing your information until you opt out.
