SAT®

THE DIGITAL SAT

Registration and Test Day Guide

Online Registration Requirements

When you register for the digital SAT® you'll need to supply:

1. Your full legal name as it appears on your photo ID, your date of birth, gender, mailing address, phone number, and current grade level. College Board uses your legal name on test day to confirm your identity, but if you have a preferred first name, you can provide it in your College Board account. We'll use your preferred first name in all other communications with you.

2. An acceptable photo of yourself that closely resembles the photo on your ID and that will match how you look on test day. Your photo won't appear on your admission ticket, but testing staff will have access to it in their roster. See details at **sat.org/photo**.

3. The name of your high school.

4. Acceptance of our Terms and Conditions for taking the SAT.

5. What type of testing device you'll use.

6. Payment or a fee waiver. See details at **sat.org/fee-waivers**.

    Call customer service at +1 212-713-7789 if you don't have access to online registration.

Registration Deadlines

Deadlines for digital testing are later than for paper and pencil testing; however, students taking the digital SAT who need to borrow a device from College Board will need to register and request their device earlier than the registration deadline, to allow time for shipping. Find dates and deadlines at **sat.org/digital-international**.

Before Test Day

☐ **Prepare for the digital SAT**

- Download the Bluebook™ exam app from **bluebook.app.collegeboard.org** on the device you'll use on test day. Your device should be either a personal or school-managed Windows laptop or tablet, personal or school-managed Mac laptop or iPad, or school-managed Chromebook. If you're testing with a school-managed device and you can't complete the download, reach out to someone at your school for help, or you can fill out this short form and we'll get in touch with your school for you: **form.collegeboard.org/f/managed-devices-exams**.

- After you sign in to Bluebook, read and accept the application Terms and Conditions.

- Go to **Practice and Prepare** on the homepage. Try some sample SAT questions in the test preview or take a full-length digital SAT practice test. Then go to mypractice.collegeboard.org to view your results to where you need to improve.

☐ **Get your admission ticket**
- 5 days before test day, go to the Bluebook homepage and find your SAT under **Your Tests**.
- Complete the short exam setup, and get your admission ticket. You can take a picture of your admission ticket, print it, or email it to yourself.
- If you need to make any changes to your admission ticket, you can update your admission ticket until 3 days before your test by contacting customer service (at **collegeboard.org/contact-us**).

☐ **Check your photo ID**
You need to bring an acceptable photo ID—visit **sat.org/id** to get the ID requirements and recent changes that apply to you.

☐ **Check the latest Terms and Conditions online**
You'll be agreeing to the digital SAT Terms and Conditions as they exist on test day. Go to **sat.org/terms** prior to test day to review any updates.

☐ **Check the SAT Test Center Closings page**
Always check **sat.org/test-center-closings** to make sure your test center is open. Check on the Friday night before the test and again on Saturday morning.

On Test Day

☐ **Bring these things:**
- An acceptable, fully charged testing device with Bluebook already downloaded and exam setup completed.
- Admission ticket (accessed in Bluebook, after exam setup). You can use your mobile phone to show your admission ticket, but it will be collected before the test.
- Acceptable photo ID.
- A power cord and/or a portable charger. We cannot guarantee you'll have access to an outlet during testing. Your device should be able to hold a charge for 3 hours.
- A pen or pencil for scratch work. (Don't bring paper—your proctor will provide it.)
- An acceptable calculator for use on the Math section (if you prefer using a handheld calculator to using the embedded calculator in Bluebook). See what calculators are acceptable at **sat.org/digital-calculator**.
- An external mouse if you use one.
- An external keyboard if you use one (you can only use external keyboards with tablets—not laptops).
- A face mask, just in case. You'll need to follow all covid/health protocols at your test center.

☐ **Don't bring these things:**
- Mobile phones, smartwatches, wearable technology such as fitness trackers, or detachable privacy screens—these will be collected and held during testing.
- Bluetooth devices (such as wireless earbuds/headphones).
- Other prohibited items—see the full list at **sat.org/digital-prohibited-devices**.

☐ **Arrive on time:**
- Plan to arrive by 7:45 a.m.
- If you're approved to borrow a testing device from College Board, arrive by 7:15 a.m. to pick up your device, sign in to Bluebook, and set up your test.

More information can be found at **sat.org/digital**.
